IFAGG information

A- and B –competing groups in World Championships event 2019

Number of finalist teams

During competition season 2019, IFAGG has decided to continue with 12 finalist teams in World Cup and Challenge Cup competitions (same as during year 2018). Based on ranking after preliminaries, 12 best teams will qualify for finals, but maximum two (2) teams from the same country.

A- and B –competing groups in World Championships event 2019

A- and B-competition groups in World Championships and Junior World Championships 16.-19. May 2018, Cartagena, Spain

Women

Following competitions will be considered for qualification for World Championships 2019 competing group A.

- World Cup IV, Finals 2018
- World Cup I 2019
- World Cup II 2019

World Cup IV (Finals) 2018: 12 finalists teams + World Cup I 2019: 12 finalists teams + World Cup II: 12 finalists teams

→ these teams will form competing group A in World Championships (max. 2 teams per country)

Country decide the teams if more than 2 possibilities.

Minimum score (points) for qualification competing group A will be informed during October 2018. Criteria for competition group A in World Championships 2019 will be a) team must be among 12 finalist teams in minimum one (1) World Cup competition mentioned above and b) must gain minimum score (points) from that World Cup competition where the team is qualified among finalists. So, team must fulfil both qualification criteria for competition group A.

Juniors

Following competitions will be considered for qualification for Junior World Championships 2019 competing group A.

- Challenge Cup IV, Finals 2018
- Challenge Cup I 2019
- Challenge Cup II 2019

Challenge Cup IV (Finals) 2018: 12 finalists teams + Challenge Cup I: 12 finalists teams + Challenge Cup II: 12 finalists teams

→ these teams will form competing group A in Junior World Championships (max. 2 teams per country)

Country decide the teams if more than 2 possibilities.

Minimum score (points) for qualification competing group A will be informed during October 2018. Criteria for competition group A in Junior World Championships 2019 will be a) team must be among 12 finalist teams in minimum one (1) Challenge Cup competitions mentioned above and b) must gain minimum score (points) what will be confirmed during October 2018. So, team must fulfil both qualification criteria for competition group A.

Other teams will compete in group B in World Championships 2019 and Junior World Championships 2019.
